## 7. Support Contact

Mobile: +961 76 515481  
Email: [support@proxireach.com](mailto:support@proxireach.com)

Should you have any technical problems, please contact our helpdesk via email [support@proxireach.com](mailto:support@proxireach.com), whatsapp, or mobile. If any critical problems incur, we advise you to send email to helpdesk outlining the problem.

In order to deal with your queries quickly and efficiently, we request you to provide the following information when contacting our helpdesk:

- Your name, company name, contact number & email address
- Account name
- Brief problem / faults description
- Details of mobile phone to/from message was sent
- Log files outlining problems. (If applicable)

In the meantime, please do not hesitate to contact us if you have any further queries. We look forward to working with you.
